Re: *Tier 2 Environmental Review, Restore LA Homeowner Assistance Program, Archeology Review, Account IDs 200274, 200953, 201322, 204385, 204649, 204931, 205396, 207796, 200945, and 201215*

Coastal Environments, Inc. (CEI) is assisting the Louisiana Division of Administration/Office of Community Development (LA OCD) in complying with Section 106 of the National Historic Preservation Act concerning program funding provided to property owners through the Restore Louisiana Homeowner Assistance Program. The U.S. Department of Housing and Urban Development is the lead federal agency on this project.

The owners of the subject properties have applied for this voluntary program which provides reconstruction, within original footprints and existing developed lots; which were impacted by disasters.

CEI has reviewed the attached list of properties:

None of these 10 properties are located within 1,000 feet of a NRHP-listed, eligible or unevaluated archaeological site. In addition, they are not located within or adjacent to any listed or eligible National Register Historic Districts. The proposed work meets the stipulations under *Appendix B: Programmatic Allowances of the Programmatic Agreement among the Federal Emergency Management Agency, The Louisiana State Historic Preservation Officer, The Governor's Office of Homeland Security and Emergency Preparedness, and Participating Tribes*, Section II, B, 11 (p.49). Therefore, these properties are exempt from further Section 106 review. However, should any unexpected discoveries (i.e., archaeological deposits, human remains, etc.) be encountered during ground-disturbing activities, LA OCD's program should be contacted so that the appropriate authorities can be notified.

If you have any questions concerning the project or require additional information, please feel free to contact me at (225) 383-7455, ext. 132 or [shahn@coastalenv.com](mailto:shahn@coastalenv.com).

Please do not hesitate to call if you have any questions.

Sincerely,

David Kelley, Ph.D.  
Director, Cultural Resources Division  
Coastal Environments, Inc.
