Homeowner Acknowledgement of Scope Deferment

APPLICANT NAME: Darla Jones **ACCOUNT ID #:** 251953

DAMAGED RESIDENCE ADDRESS: 3623 15Th St, Alexandria, LA 71302

I have reviewed my RLHP Estimated Cost of Repairs (ECR) – Deferred report and fully understand that the Program has deferred repair items that are non-essential to occupancy and habitability. I understand that this deferment of scope allows me to complete the indicated repair item(s) at a later date/time at my own expense.

Subsequently, my current RLHP Homeowner Responsibility or Escrow amount required has been reduced or eliminated and construction may begin on my home, pending the submission of any remaining Homeowner Responsibility or Escrow funds.

I fully understand and accept all obligations in connection with the completion of the deferred scope items. I am aware that the Program will not perform a Final Inspection on the deferred scope items.

Additionally, I acknowledge that any amount of scope deferred that exceeds my escrow or homeowner responsibility amount is now solely my responsibility and the Program will not disburse funds for the items for which I am taking responsibility.

Total Deferment: \$5,029.44
